Subject / RE line: Please SIGN HB 631 "Homes Near Work"

Dear Governor Ayotte,

I'm a resident of Portsmouth. HB 631 will let cities like ours turn dead parking lots—think the old K-Mart plaza—into mixed-income apartments near jobs and transit. The bill keeps local design review but finally prevents the height, density, and delay tactics that stall workforce housing.

We think Pease Tradeport alone could yield 1,200+ units once HB 631 takes effect.

Please sign HB 631 so working families, firefighters, and teachers can afford to live in the communities they serve.

Thank you for your consideration.

Sincerely,
